This comprehensive book includes over 100 drills that will help your players master all aspects of shooting, from first touch to finishing. The drills are organized into progressions, so you can start with the basics and gradually work your way up to more challenging drills.

Each drill is clearly explained and illustrated with diagrams, so you can easily implement them into your training sessions. The drills are also

adaptable, so you can tailor them to the specific needs of your team.

Attacking Shooting Drills for Soccer Coaches is the ultimate resource for coaches who want to help their players score more goals. With over 100 drills to choose from, you'll never run out of new ways to challenge your players and improve their shooting skills.

Benefits of Using Attacking Shooting Drills

- Improve shooting accuracy
- Increase shooting power
- Develop better shooting technique
- Create more scoring opportunities
- Win more games
