Lake Erie

Lake Erie is the crown jewel of fishing in Erie County. This vast body of water is home to a diverse array of fish species, including walleye, perch, smallmouth bass, largemouth bass, steelhead trout, and more.

Walleye fishing in Lake Erie is particularly popular, with the area known for producing some of the largest walleye in the Great Lakes. Anglers can target walleye by trolling, jigging, or casting lures near structure such as reefs, drop-offs, and weed beds.

Perch fishing is another popular option in Lake Erie. These feisty fish can be caught in shallow water near shore or in deeper water around reefs and drop-offs. Anglers typically use small jigs or minnows to catch perch.

Smallmouth bass and largemouth bass are also plentiful in Lake Erie. These aggressive fish can be caught by casting lures or live bait near structure such as rocks, logs, and weed beds.

Sandusky River

The Sandusky River is another great option for fishing in Erie County. This scenic river is home to a variety of fish species, including walleye, sauger, smallmouth bass, largemouth bass, and catfish.

Walleye and sauger fishing in the Sandusky River is particularly good in the spring and fall, when these fish are migrating. Anglers can target walleye and sauger by trolling, jigging, or casting lures near current breaks and drop-offs.

Smallmouth bass and largemouth bass are also plentiful in the Sandusky River. These fish can be caught by casting lures or live bait near structure

such as rocks, logs, and weed beds.

Catfish are another popular target species in the Sandusky River. These bottom-dwelling fish can be caught by using live bait or cut bait on the bottom.

Floating in Erie County

In addition to fishing, Erie County also offers some great opportunities for floating. The Sandusky River is a popular destination for kayakers and canoeists, with its calm waters and scenic surroundings.

The river is suitable for paddlers of all levels of experience. There are several access points along the river, so you can choose to float a short section or a longer stretch.

While floating on the Sandusky River, you'll have the opportunity to see a variety of wildlife, including birds, deer, and turtles. You may also see some of the local fishermen trying their luck.
