In a world on the brink of collapse, where technology and magic collide, the fate of humanity hangs in the balance. Dragons, once thought to be extinct, have reemerged from the shadows, their ancient power threatening to consume the world.

But humanity has a secret weapon: drones. These unmanned aerial vehicles are equipped with the latest technology, and they are the only hope of stopping the dragons from destroying everything.

In Enemy Of The Realm, two unlikely allies must team up to save the world. Anya, a brilliant scientist, has developed a way to control the dragons. But she needs the help of Ethan, a skilled drone pilot, to put her plan into action.

Together, Anya and Ethan must face impossible odds. They must overcome the dragons' overwhelming power, the treachery of their own allies, and the ticking clock that threatens to destroy everything.

Enemy Of The Realm is an exciting and action-packed adventure novel that will keep you on the edge of your seat from beginning to end. It is a story of hope, courage, and the power of human ingenuity.
