Biden is the oldest of the four, and he has the most experience in government. He served as vice president under Barack Obama from 2009

to 2017, and he was a senator from Delaware for 36 years before that. Biden is a moderate Democrat, and he is known for his ability to work with both sides of the aisle. He is also a strong advocate for working-class Americans.

Harris is the first African American woman to be elected vice president of the United States. She is a former prosecutor and attorney general of California, and she is known for her tough stance on crime. Harris is a progressive Democrat, and she is a strong advocate for social justice. She is also a rising star in the Democratic Party, and she is considered to be a potential future presidential candidate.

Buttigieg is the first openly gay man to be elected mayor of a major American city. He served as mayor of South Bend, Indiana from 2012 to 2020, and he was a presidential candidate in the 2020 Democratic primaries. Buttigieg is a moderate Democrat, and he is known for his intelligence and his ability to connect with voters. He is also a strong advocate for LGBTQ rights.

Ocasio-Cortez is the youngest of the four, and she is the most progressive. She is a former bartender and activist, and she was elected to the House of Representatives in 2018. Ocasio-Cortez is a member of the Democratic Socialists of America, and she is a strong advocate for Medicare for All, the Green New Deal, and other progressive policies. She is also a rising star in the Democratic Party, and she is considered to be a potential future presidential candidate.

These four individuals are all rising stars in the Democratic Party, and they are all poised to play a major role in shaping the future of American politics.

They represent a new generation of leaders who are committed to fighting for social justice, economic equality, and environmental protection. They are the future of the Democratic Party, and they are the future of America.
