In the tradition of Susan Cooper and Neil Gaiman, Mister Creecher is a complex and compelling story about the power of stories and the

things that go bump in the night.

When James moves into the old manor house with his family, he's immediately drawn to the mysterious attic. There, he discovers a strange old book filled with eerie tales of a sinister creature known as Mister Creecher.

As James delves deeper into the book, he begins to sense a strange presence in the house. Strange noises echo through the halls, objects move on their own, and James can't shake the feeling that he's being watched.

With the help of his new friends, Sarah and Tom, James must confront his fears and uncover the truth behind Mister Creecher. But as they get closer to the truth, they realize that the stakes are higher than they ever imagined.

Perfect for fans of Coraline and The Graveyard Book, Mister Creecher is a must-read for middle-grade readers.

With its complex characters, thrilling plot, and spine-tingling scares, Mister Creecher will keep readers on the edge of their seats from beginning to end.
