With its captivating visuals and informative text, Day and Night unveils the secrets of plant and animal behavior, showcasing how they adapt to the changing conditions throughout the day.

### **Witness the Transformation of Earth's Ecosystems**

Through the lens of day and night, the book highlights the dynamic nature of Earth's ecosystems. As the sun rises, animals emerge from their slumber, eager to forage and hunt. Plants awaken, unfurling their leaves to capture the sunlight's energy.

As darkness descends, a different world takes over. Nocturnal creatures come alive, their senses sharpened for the night's hunting and foraging adventures. The moon casts an ethereal glow, illuminating the landscape in its soft, mysterious light.

### **Unveiling the Wonders of Nature's Nocturnal Realm**

National Geographic Readers: Day and Night delves into the fascinating world of nocturnal animals. Readers will encounter the stealthy owl, the elusive fox, and the shy armadillo, learning about their unique adaptations for surviving and thriving in the darkness.

The book also explores the marvels of the night sky, captivating young minds with the wonders of stars, planets, and constellations.

### **A Journey of Discovery and Inspiration**

National Geographic Readers: Day and Night is more than just an informative book; it's a gateway to sparking a lifelong love for nature and exploration. Its engaging narrative and stunning visuals foster a deep appreciation for the complexities of the natural world.

Perfect for children ages 4 to 8, this book is an ideal choice for inspiring a sense of wonder, curiosity, and environmental stewardship.

### **Additional Features:**

- Stunning photographs and illustrations that bring the natural world to life
- Engaging text written by award-winning children's author Laura Purdie Salas
- Vocabulary boxes that introduce new words to expand young readers' vocabulary
- Thought-provoking questions and activities to encourage critical thinking and further exploration

National Geographic Readers: Day and Night is an exceptional book that will ignite a passion for nature in young readers. It's a valuable addition to any home library or classroom, inspiring children to become stewards of the planet and lifelong learners.

Free Download your copy today and embark on an unforgettable journey through the wonders of day and night!
