New Ways To Make Your Horse Solid Citizen And Keep You Safe On The Ground In is a comprehensive guide to horse training and safety. It is packed with practical advice and tips that can be used by riders of all levels, from beginners to experienced equestrians.

In this book, you will learn how to:

- Establish a strong foundation of trust and respect with your horse
- Communicate effectively with your horse

- Train your horse to behave well on the ground and under saddle
- Prevent and correct common behavior problems
- Stay safe while riding

Whether you are a new horse owner or an experienced rider, this book can help you improve your horse's behavior and keep yourself safe while riding. It is a must-have for any horse owner who wants to enjoy a safe and rewarding relationship with their horse.

What's Inside?

This book is divided into three parts:

1. **Part 1: Building a Solid Foundation**
2. **Part 2: Training Your Horse**
3. **Part 3: Staying Safe While Riding**

In Part 1, you will learn the basics of horse training, including how to establish a strong foundation of trust and respect with your horse, how to communicate effectively with your horse, and how to train your horse to behave well on the ground.

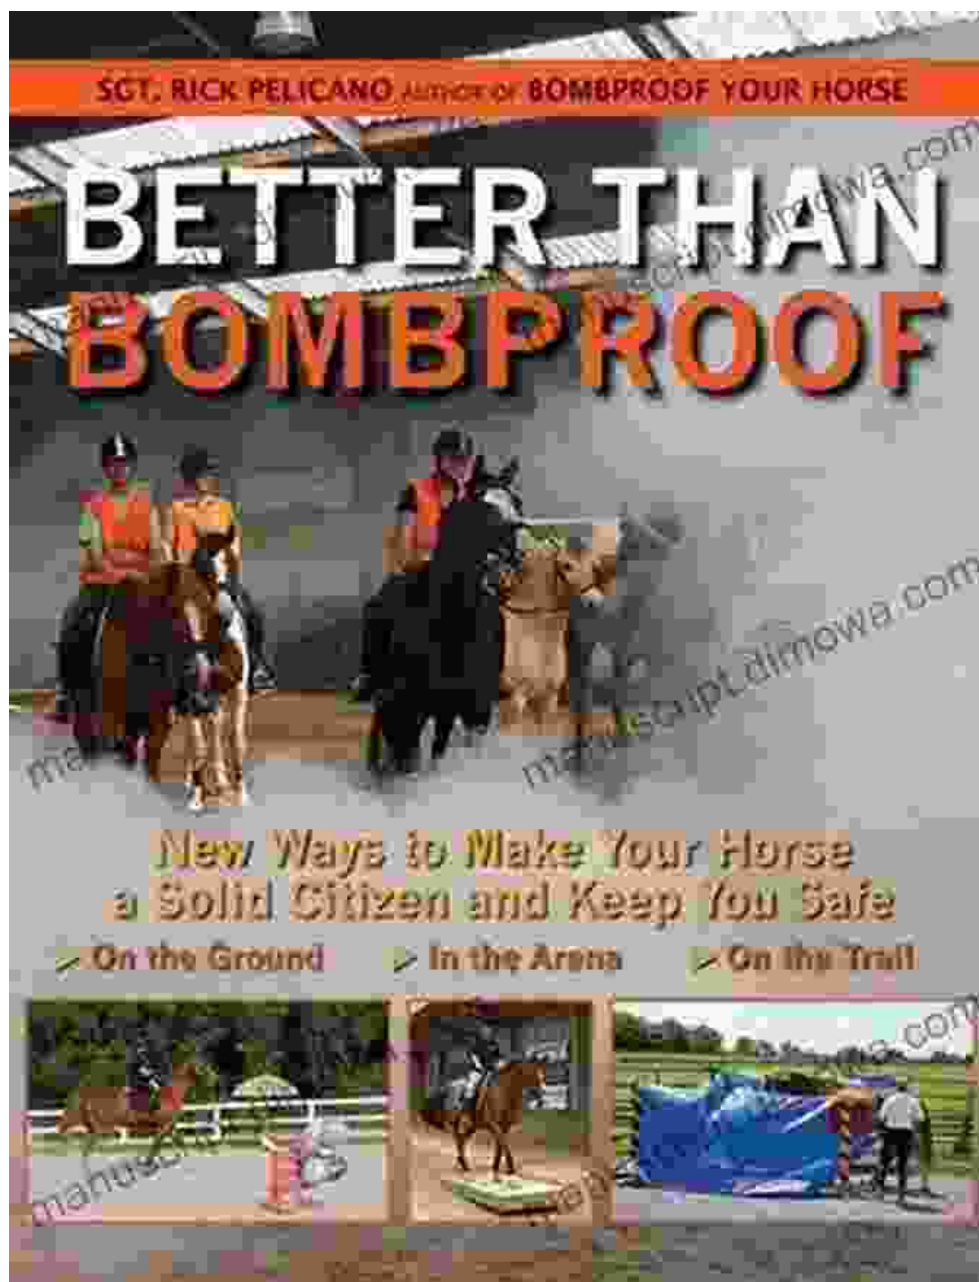

In Part 2, you will learn how to train your horse to perform a variety of tasks, such as leading, loading, grooming, and riding. You will also learn how to prevent and correct common behavior problems, such as biting, kicking, and spooking.

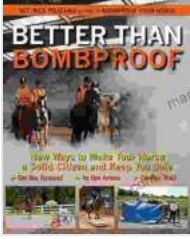

In Part 3, you will learn how to stay safe while riding. You will learn how to choose the right horse for your skill level, how to prepare for your ride, and

how to handle emergencies.
