A Magical Adventure for Kids of All Ages

Old Macdonald had a farm, E-I-E-I-O.

And on that farm he had a dragon, E-I-E-I-O.

With a roar here and a roar there, here a roar, there a roar,

Everywhere a roar, roar.

Old Macdonald had a dragon, E-I-E-I-O.

This is the story of Old Macdonald, a farmer who lives on a peaceful farm with all the usual animals: cows, pigs, chickens, and sheep.

But one day, Old Macdonald discovers a very unusual animal on his farm: a dragon!

The dragon is big and green, with sharp claws and teeth. At first, Old Macdonald is scared of the dragon. But then the dragon starts to talk, and Old Macdonald realizes that the dragon is actually very friendly.

The dragon tells Old Macdonald that he was lost and alone, and that he would be very grateful if Old Macdonald would let him stay on the farm.

Old Macdonald agrees, and the dragon quickly becomes a part of the farm family. He helps Old Macdonald with the chores, and he plays with the other animals.

The other animals are at first afraid of the dragon, but they soon learn that he is harmless.

The dragon is a kind and gentle creature, and he quickly becomes a favorite of all the animals on the farm.

One day, a group of mean knights come to the farm. They are looking for the dragon, because they want to kill it.

The animals are scared, but the dragon is not afraid. He stands up to the knights and tells them to leave the farm.

The knights are surprised by the dragon's courage, and they decide to leave the farm.

The animals are grateful to the dragon for saving them, and they all celebrate with a big party.

Old Macdonald Had a Dragon is a delightful children's book with a heartwarming story and charming illustrations.

This book is perfect for bedtime reading or any time you want to share a magical tale.
