

# The Traitor: The Secret Diary of the Sin of May

It is 1865, and the American Civil War has just ended. The country is in ruins, and the people are struggling to rebuild their lives. In the small town of May, North Carolina, Sarah MacAllister is trying to find her place in the new world. She is a young woman of mixed race, and she has always felt like an outsider. But when she meets John Carter, a white man who is fighting for the rights of African Americans, she finally feels like she has found a place where she belongs.

But Sarah's newfound happiness is short-lived. She soon discovers that John has a secret, and it is a secret that could destroy everything she has built with him. John is a traitor, and he has been working with the Ku Klux Klan to keep African Americans from voting. Sarah is torn between her love for John and her loyalty to her people. She knows that she must do something, but she is not sure what.

As Sarah investigates John's past, she uncovers a web of secrets that reach all the way to the top of the government. She learns that John is not the only traitor in May, and that there is a conspiracy to keep African Americans from having their rights. Sarah realizes that she must fight back, but she knows that it will be dangerous. She is willing to risk her life to save John, but she is also willing to risk her life to save her people.

The Traitor is a gripping historical thriller that will keep you on the edge of your seat from beginning to end. It is a story of love, betrayal, and sacrifice, and it is a story that will stay with you long after you finish reading it.
